*“An honorable past lies behind us,
a developing present is with us, and
a promising future lies before us.”*

– Mary I. Barber
Academy historian (1931)

Our History and Legacy

 Academy of Nutrition and Dietetics
Academy of Nutrition and Dietetics
Foundation

second century

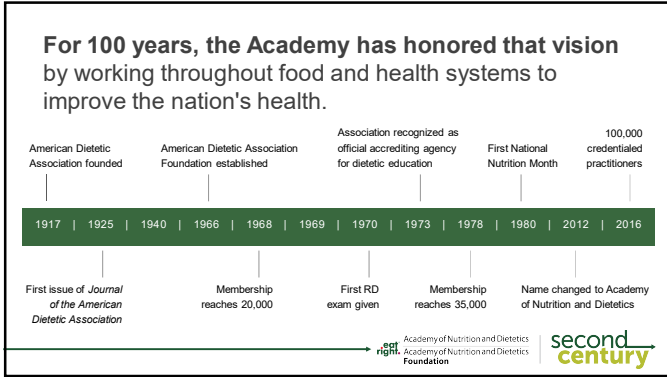

Our founders had a vision: **to build a profession they believed would change the course of nutrition and health.**

2nd Century

Nutrition has changed over the last century — and, as a profession, **we are evolving to meet these changes.**

- The Academy seal symbolizes our commitment to benefit as many as possible.
- Food and nutrition are still powerful tools of economic and social transformation.

2nd Century

The world is at a **critical moment for nutrition.**

Some of the toughest health challenges of the next century will be linked to food access and choice:

- Growing global population
- Dual burden of under-nutrition and obesity
- Ballooning chronic disease

Academy of Nutrition and Dietetics
Foundation **second century**

There is global momentum for **collaborative solutions.**

- Scaling Up Nutrition (SUN) Movement
- Sustainable Development Goals
- U.N. and WHO Decade of Action on Nutrition

THE GLOBAL GOALS
For Sustainable Development

Academy of Nutrition and Dietetics
Foundation **second century**

The Academy has an opportunity to **accelerate improvements** in nutrition and health around the world, by **building on our strengths** and **collaborating** with other leaders.

Now is the time to chart the course we want for our profession in our **Second Century.**

What Will It Look Like?

Academy of Nutrition and Dietetics
Foundation **second century**

2nd Century

- We have a plan to shape the future of the Academy – **now we need your voice.**
- Be open to new ideas and ways of thinking
 - Bring your passion, energy and commitment to the profession
 - Ensure that members understand the process and why their contribution matters
 - Contribute to the Second Century
- eatright Academy of Nutrition and Dietetics Foundation | **second century**

Our commitment:
Create a Second Century vision that brings out the best the Academy and the Foundation have to offer — **lifting the profession and expanding opportunities** for all members.
